

DELHI PUBLIC SCHOOL
BANGALORE NORTH

DELHI PUBLIC SCHOOL BANGALORE NORTH SENIOR PRINCIPAL'S NEWSLETTER FOR JULY 2016

“ When I stand before the lord at the end of my journey, I would not have a single bit of talent left and I could proudly say , o’ lord I used everything you gave me.”

At DPS Bangalore North we continue to foster, nurture and encourage young minds to innovate, create and explore their inborn talents. Academics and co-curricular activities go hand in hand, each complementing the other.

Unit tests were conducted for classes 1 to 10 and students were completely focused on them.

The school had the opportunity to host **DMUN 2016**, which saw the participation of various schools from across the city. The MUN witnessed some excellent rhetoric’s put up by 80 delegates from 6 committees.

To develop a love for classical and heritage music, the school hosted a **SPICMACAY concert** on 13th July. Sehnaï maestros presented a stupendous show that left our young audience spellbound.

We were privileged to have Dr.Tony Castro from the university of Missouri, in our campus, **Dr.Castro addressed students** of grade 10th and 11th enlightening them **about the on-going US presidential elections**. He also spoke at length about American politics.

Students of grade 9th and 10th staged skits, themed “Anger management through yoga”. Through humor and fun they conveyed a very pertinent message that anger and stress management is indeed possible through the practice of yoga. **Special assemblies were held** to raise awareness about the ill effects of drugs, Cyber safety and bullying. Children were sensitized towards such need of the hour issues through talks and skits by teachers and resource persons.

August is a month of change, nature changes colours into different hues giving a hint of the change in seasons and reinforcing hope in mankind that something wonderful is around the corner. With such positive thoughts, let's look forward to all the wonderful activities slated for the next few months.

God bless !

With Best Wishes,

Manju Balasubramanyam,

Principal, DPSBN
