OCTOBER 2014

FROM THE PRINCIPAL'S DESK.

DEAR PARENTS AND STUDENTS,

Holidays and breaks are a source of joy for all of us. It gives the much needed break from the monotony of the rigors of school. Dusshera break followed by a string of other holidays marked the month of October. The School continued to persevere for the Annual Day which was scheduled for 30 & 31 Oct.

SWACHH BHARAT ABHIYAN : The Prime Minister initiated the Swachh Bharat Abhiyan on 02 Oct 2014 on the occasion of Gandhi Jayanti, with a view to bring about a revolutionary change in the way citizens perceived their responsibility towards keeping India clean and seeking their wholehearted cooperation in changing the image of India as a clean and green country. A large number of prominent socialites and other citizens took to this call for a Clean India with gusto and organised regular means of taking this revolution forward. We at DPS Bangalore (North) too organised a Swachh Bharat Abhiyan Day to highlight this movement to sensitise the young students regarding their role and responsibilities. It was emphasised that this revolution could only be sustained by persevering tirelessly. It laid emphasis on the fact that a clean and Green India is not the responsibility of the Government alone but that of all citizens. The enthusiasm with which this Abhiyan was received by the students is reflected in the pictures below.

a celebration"

ANNUAL DAY : The Annual Day of the Primary Classes was organised on 30 Oct 2014. This day marks the culmination of efforts put in by students, teachers and other staff members to bring out the student's finest performances. It definitely marks the highpoint of the school's academic curriculum that brings parents, teachers and students on a level and informal plane to experience the joys of moulding the young students. Needless to mention, it was the most spectacular show with songs, skit and dances conducted flawlessly and it was heartening to see the level of enthusiasm displayed by the parents and students. The primary segment presented a musical extravaganza based on the beloved fictional character Noddy and his travels around the world. The performances captured the diverse cultures of the globe. The programme for classes III-V revolved around contentment and self acceptance, expressed through the story of Kermit, The Frog who observed the creatures of the animal kingdom dance away and overcome their hardships to live a happy life. Teaching our children to respect diversity while respecting their own identity was the message that was sent out to one and all. The accolades received from the Chief Guest Shri Puneet Pathak, conservator of forests, management and parents bears testimony to the student's talent and the tireless effort put in by the teachers. The student's display of commitment and perseverance proved to be an elixir for everyone. The photographs below prove it all.....!

We, at DPS , Bangalore North wish to create an equitable society where people have mutual respect and tolerance for one another.

Good show students!!! You all were the true superstars of the show!!!

With Best Wishes,
Manju Balasubramanyam,
Principal,
