BANGALORE NORTH

# DELHI PUBLIC SCHOOL BANGALORE NORTH PRIMARY PRINCIPAL'S NEWSLETTER FOR JANUARY 2016

## Dear Parents, students and well-wishers,

Wishing you all a very happy and prosperous New Year. We hope that 2016 proves to be a successful year.

DPS, Bangalore (North) true to its tradition, has continually endeavored to achieve greater heights with its unwavering commitment to quality education and all round development of its students. The School had the distinction of entering the Guinness Book of World Record this month for organizing the largest number of students undertaking Dental Hygiene Activity simultaneously.

The Dental Plan Organization in association with DPS, Bangalore organized a campaign for children to spread awareness of oral hygiene. This activity was undertaken at DPS

(South) premises. It was an awe-inspiring sight to see 17,528 DPS students gathered for this event. Under the watchful gaze of the officials of the Guinness Book organization, an enthusiastic group of students indulged in the above act with tremendous zeal and sincerity. Needless to mention, the officials too were impressed by the turnout of students, their discipline and the coordination involved in organizing this mammoth activity. The clichéd term “Starting the New Year with a Bang” resonated throughout.

## CARPE DIEM-2016

Carpe diem 2016 was an inter school Scholastic competition organized by Iqra International School on 23rd January 2016. More than 7 schools competed in the above competition.

Students of Primary Segment participated in different categories like Art Attack, Science toons, Mathnasium, Linguistic Corrivals, Next Gen and Theatre. Needless to mention, our School took off from the word go and swamped the entire gathering with their true potential. The judges were perceptibly astounded with the student's oratorical skills, scientific and analytical excellence, expressive skills and creativity and proved to be Mavericks in the true sense! It was a foregone conclusion that the premier positions in almost all categories would be booked by our School.

The prize distribution was almost entirely an all DPS show, much to the chagrin of the others. The overall Best School Rolling Trophy was bagged by our School. Carpe diem!!! And our School lived up to this Latin term's spirit far beyond everyone's expectations!!!!

Congratulations to our wonderful children!!!  
With Best Wishes and Prayers,  
Manju Balasubramanyam  
Principal
