*OCTOBER 2015*

---

Dear Parents, Students and Well Wishers,

Holidays and Breaks are a source of joy for all of us. It gives us the much needed break from the monotony of the rigors of school. Dussehra Break followed by a string of other holidays marked the month of October.

### *First PTM:*

After the half yearly Exam (SA1), the first PTM was conducted on 17 Oct 2015. We are proud to inform that the parents were immensely satisfied with the progress of their wards and were appreciative of the tireless efforts, commitment, perseverance and general guidance given by the teachers in grooming them. The desire to attend School on all days by the students bears testimony to this.

### *Author's Meet:*

The primary segment of DPS, North, in association with Scholastic, India organised an "Author's Meet". Dr. Ken Spillman, a well-known prolific author from Perth, Australia graced the occasion. He enthralled the students with his expressions, voice modulations and dramatizations. The students were spell bound by his great sense of humour and his ability to make the characters of his books come alive!!!

## *The Xyo Inter- School Olympiad:*

The first round of the 3rd Annual Xyo Inter- School Maths-Science Championship Olympiad was held on 5th October. Xyo is committed to encouraging and developing the passion for Math and Science amongst students and seeks to enable each student to reach his/her full potential in these subjects.

## *National Cyber Olympiad:*

The National Cyber Olympiad (NCO) was conducted on 8th October. This is an international level competition focussing on mental ability, logical and analytical reasoning in computers and IT. It also aims at identifying and nurturing cyber talent amongst youngsters. It is as much about inspiring the younger generation to enhance their knowledge and comprehension of issues related to computers and IT as about testing their aptitude in these streams. We are immensely proud to state that our students participated with gusto and made us proud!

As we look forward to the much awaited Dussehra break, it's time to unwind and get rejuvenated to return refreshed and face the challenges of the months ahead!

*We wish everyone a very Happy Dussehra.....*

With Best Wishes and Prayers,  
Manju Balasubramanyam.
