

DELHI PUBLIC SCHOOL

BANGALORE NORTH

SENIOR SCHOOL NEWSLETTER

JUNE 2015

Dear Parents

I welcome you all to another eventful session at DPS Bangalore North. As the vacations end and the school year takes a new turn, it is a good time to re – focus on our goals. Where we were and where we envision ourselves to be. The beginning of the school year often triggers an ingrained instinct to buckle down and get to work. From a willingness to make mistakes, staying true to yourself, to simply working hard and never giving up. The silence has been broken with the chatter of familiar expectant faces that are eager to lap up anything that is new and novel.

I take this opportunity to congratulate the students of classes 10th and 12th, who performed commendably in their board exams, 2014 – 2015. In keeping up with the true DPS tradition, I take great pride in informing you all that we have students who have secured centum and high averages in respective subjects. I wish them luck in all their future endeavours. I am sure that they will do their alma mater proud, wherever they go. The senior school has elected its prefectorial board through a secret ballot system. The new

student leaders have taken over the beacon from the previous captains and are enthusiastic about their new assignment.

The school also hosted “IMPRESSIONS “, the school fest, which saw attendance from students of various schools in Bangalore. The event witnessed some high level debating at the DPSBN MUN. The committees debated on various topics like, nuclear disarmament, religious insurgency and rights of women in the Middle East.

I also take this opportunity to inform you that our students have won laurels for the school beyond the school boundaries. Shreyas .S. Rao of class 7 was ranked 4th in category 4 ,at the international finals of Marrs international Spelling Bee ,held at Abu Dhabi on 23rd May,2015. Maanasa Manikandan and Trina Dutt, students of class 10, represented the school at an internship program conducted for young aspiring journalists by The Times of India.

Looking forward to sharing many such news with you throughout the year. Hoping that every day is going to be a new beginning. God Bless!

Warm Regards

Manju Balsubramanyum

Principal
