

# DELHI PUBLIC SCHOOL BANGALORE NORTH SENIOR SECONDARY PRINCIPAL'S NEWSLETTER FOR FEBRUARY 2016

*“Exams test not only your knowledge but also your state of mind.  
So stay calm and be relaxed because you are truly the best “*

*Dear Parents and Patrons*

*It is that time of the year when students of classes 10th and 12th gear up to face the titans of their life, the board exams. The entire school joins me in wishing them the very best for their examinations.*

*The month went by in a flurry of activities; busy revision schedules, formative assessments and other co-curricular activities. The junior cricket team emerged victorious in inter school tournaments. ‘Bake Sale’, a sale of bakery items was put up by CARE, an animal shelter home. It was done to raise awareness about care for abandoned animals and to instil in the students feelings of empathy for the voiceless creatures.*

*A workshop was conducted for the students of class 7th, by the school doctor Dr.Vijayprabha, to make the students aware about the physical changes that they undergo during puberty.*

*The year seems to have gone by in a jiffy and here we are at the ending of yet another academic year, with renewed hopes and aspirations.*

*Thank you all, for your continuous support and faith in us.  
God bless !!*
