SENIOR SECONDARY
PRINCIPAL'S NEWSLETTER
FOR JANUARY 2016**

*“Wherever you go, no matter what the weather
Always bring your own sunshine “*

January has been an eventful month, full of memorable moments and events. DPS, Bangalore North was a participant school in the 'brush right, smile bright' dental program at DPS Bangalore East. It was a single event where students and teachers brushed right and went on to create a world Guinness record.

The school also conducted the road safety week from 10th to 16th January. Police personnel from the traffic department were in the school to update awareness about traffic rules and regulations amongst the students.

The highlight of the month was of course the graduation ceremony for the 12th graders. The school bid farewell to the students in a solemn prayer ceremony followed by dinner. The teachers and students recalled the year gone by in nostalgic manner. The teachers wished the students good luck for their forthcoming examinations.
