DELHI PUBLIC SCHOOL BANGALORE NORTH SENIOR PRINCIPAL'S NEWSLETTER FOR JUNE 2016

**“Together we shall open the book, its pages are blank,
And together we shall put words on them
And name it opportunity.
The first chapter to be.....New Beginnings”**

Warm greetings to all our dear parents and patrons.

Here we are yet again, at the beginning of another new academic session. The academic year that went by was neither an end nor is this a new beginning but an ongoing process with all the wisdom and faith that experience has instilled in us.

With immense pride and pleasure I announce that our students have yet again proved their mettle in the field of academic success.

The class 12th and 10th results were outstanding with our students winning accolades and recognition at Sahodaya, for being subject toppers and toppers in their respective streams.

Aditi Sundaresh and Soundarya Krishnan of the science stream topped the batch with 95.2 percentage.

Aishwarya MR topped the Commerce stream with 95.2 percentage,

Devisha Shetty and IsanaLaisram were at the second position with 94.8 percentage. **RiddhiDhananjaya Joshi and Iladeep** topped the Humanities stream with 94.6 percent.

Not far behind were the 10th graders who did the school extremely proud with their meritorious performance. Out of a total of 363 students who took the examination this March, **106 scored a perfect 10**, 142 fell into the bracket of 9 to 9.8.

It was indeed a proud and blessed moment for all of us. Let us take this opportunity to bless each one of them. All this would not have been possible without the unified efforts of the school, parents, and teachers and of course the hard work put in by the children.

Over the years, the school has been conducting exchange programs with schools in Germany and France. This year we are proud to announce the commencement of the **Indo-Denmark exchange program** between DPS (BN) AND ROSKILDE GYMNASIUM, Denmark. It is a cultural exchange program wherein both schools will work on a common topic.

Frendia '2016, the cultural exchange program between Saint Augustin, France and DPS (BN) concluded in the month of May. Students from our school along with escort teachers travelled to France and spent memorable 15 days with their host families, understanding each other's culture and way of life, making it a truly global meltdown experience.

The school celebrated **International Yoga Day** on 21st June. The entire school joined the yoga department in celebrating this remarkable day. Benefits of yoga, its healing effect on the mind and body and nurturing of inner calm and peace through yoga, were some of the points highlighted by the yoga department. Let's all pledge to make yoga a way of life, for better, more meaningful living.

The school also elected its junior and Senior Prefectural Board. Students from classes 9th to 12th exercised their right to vote and elected their representatives. The Investiture ceremony was held in school wherein the names of the newly elected cabinet were announced. The Head Boy, Prajwal Ranjan and Head Girl, Aditi Ramakrishnan took their oaths with solemn sincerity.

Once again I welcome all our parents and patrons to the new academic session and thank you all for your continued support and encouragement.

*With Best Wishes,
Manju Balasubramanyam,
Principal, DPSBN*
