

DELHI PUBLIC SCHOOL BANGALORE NORTH

SENIOR PRINCIPAL'S NEWS LETTER

FROM THE PRINCIPAL'S DESK

DECEMBER 2016

Dear Parents and Patrons

A Happy and blessed New Year to all of you!

“New year – a new chapter, new verse.

We are the scribes, the choice is ours.”

As the new dawn of a New Year awakens, we renew our promises of a new start, to be always at war with our vices and at peace with our surroundings, so that each New Year finds us a better human being than the last.

With the above thought, we have introduced meditation time in the classrooms for the students, as soon as they arrive in their classrooms. This will help them to calm down and go about their daily routine in an organised manner.

The school hosted two major events, The Ganit Fest and Spectra Ingenium, by the Math and English departments respectively. Spectra showcased street plays and Radio shows on current social themes and their impact on society at large.

Ganit fest was a mathematical feast commemorating the birthday of the mathematical genius Ramanujan. The Mathematics department organised many events related to maths.

An anti-tobacco workshop was conducted for the senior school students by Mr Chandra from SOCHARA, an NGO that spreads awareness about the ill effects of tobacco consumption. Students of middle school attended a workshop conducted by POCSO, wherein they were told about the physical and emotional changes that adolescence undergo and how to cope with them.

A food fest was conducted by students of class 8th, the proceedings of which were donated to DART, a research organisation, conducting research in the field of muscular dystrophy.

New Year, new beginnings and renewed hopes of delivering quality and holistic education to our children, I again wish you all a blessed and fruitful 2017!

Wishing our parents and patrons a blessed month ahead!

With best wishes

Manju Balasubramaniam

Principal
