NOVEMBER 2015

“Inner compassion and outer tolerance can easily make a new world,

A better world.....”

Dear Parents and Patrons

Accepting and valuing differences between people and also appreciating these differences, is to speak the language of tolerance. To accept and cherish reality is tolerance.

We are living in a world today, ridden with the spirit of non-acceptance. But despite the difficulties and frustrations of the moment, we still nurture a dream; a dream through the eyes of our children; a dream of a tolerant society that will pave the way for a new dawn in our lives. The hope lives on, burning bright in our hearts as we embark upon this beautiful month of December that fills our souls with the warmth and goodness associated with the spirit of yuletide festivities.

Students celebrated **Rashtriga Ekta Divas** on 6th November to uphold the spirit of unity in diversity. Students also **visited Cubbon Park** to be a part of a human chain. A **Digital Workshop** was held on 7th November, to enlighten teachers on how to increase their pedagogical skills using digital smart boards. The last batch of students **visited NATA**, and thoroughly enjoyed the novel experience. Students of class 10th **visited Baptist Hospital** and attended a session on life resurrection methods. November also saw the culmination of the **German Exchange Program** for the current session.

Students continued to do their Alma Mater proud by winning accolades and awards. The Yoga and the Sports team won many trophies and medals. Over 80 Students participated in yet another event STEAM 2015 a two day event. The enthusiasm shown by our students bagged them many prizes in IT Quiz; Gaming; Eco smart; Science Exhibition; Film Making; thus keeping the school flag flying high.

The school is eagerly looking forward to “HABBA – 2015”, with the theme: Incredible India, showcasing Indian culture. We are looking forward to your whole hearted participation in the event to make it a stupendous success.

I wish you all a merry Christmas and a happy new year.

God bless!!

With Best Wishes and Prayers,
Manju Balasubramanyam.
