DEAR PARENTS AND PATRONS

*Festive greetings from the Principal's
desk.*

The month of November promises to be as bright and luminous as the festival of lights. DPS Bangalore north warmly welcomed the students from Kopernikus Nikolaus Gymnasium, Weissenhorn, Germany, and the partner school in the German exchange program. Learning beyond the classroom, as the world melts down its international borders to blend as one big family, is the main aim of such exchange programs that DPS Bangalore North undertakes.

Whilst the Dussehra vacations were on, students travelled to different parts of the country to participate in various competitions and yet again did their Alma Mater proud. The yoga team travelled to New Delhi to take part in the CBSE nationals and were placed in the top 10 from amongst 150 schools.

Vidisha and Shreyansh of class 8th and 10th respectively won the silver medals in the CBSE cluster 7 athletic meet held at Davanagere and qualified for the finals to be held in December in Raipur.

The season of festivities and celebrations continue and we at DPS, Bangalore North eagerly look forward to the 'DPS Habba 2015'. The habba, which is a teacher – student initiative, encourages students to initiate, explore, design and execute their innovative ideas into reality, giving full expression to their creativity. The school looks forward to your support and presence to make DPS Habba 2015 a thundering success.

I take this opportunity to wish you and your families a very happy and prosperous Diwali.

God bless!!

With Best Wishes and Prayers,

Manju Balasubramanyam.
