SEPTEMBER - 2015

“Teachers are expected to reach unattainable goals with inadequate tools. The miracle is that at times they accomplish this impossible task. ~ Haim Ginott”

DEAR PARENTS, STUDENTS AND WELL WISHERS

It gives me immense pleasure to recall the month of September with a vivacious potpourri of felicitous memories. As half of the school year just flew by, September has been of great significance to us. The exams, as always, have kept both, students and teachers, on tenterhooks throughout the month. Teachers, albeit, a bit more. Nevertheless, despite this worrisome phase, our teachers and students, with their much combined efforts, made September a joyful, yet unique month like any other. With the students of twelfth grade organizing the most laudable series of events and festivities for teacher's day, September indeed had the most wondrous of beginnings.

Disciplinary code workshop:

The school counsellors conducted a workshop for the students wherein they highlighted the repercussions of disobeying disciplinary code of conduct. Students of the 12th grade put up a great show for the teachers; they gave the teachers a break and took over their classes. Later in the day they put up a wonderful stage show for the teachers.

Hindi Divas Celebrations:

The school celebrated Hindi Divas in the first week of September. Hindi being the "Rashtriya Bhasha", there is a strong requirement to strengthen the foundation of the language. Students put up skits, recited poems and speeches to mark the importance of this day.

Sanskrit Day Celebrations:

Sanskrit day was celebrated by the Sanskrit department. Sanskrit, language of the vedas deserves to be preserved and promoted through such programmes. Students recited shlokas, enacted drama, in Sanskrit.

Accomplishments:

Yoga Championship:

The yoga department of the school has yet again made us all proud by winning prizes in all possible categories in the 2nd South India level Yoga Championship. Tremendous effort and hard work by the teachers and students alike, leads to such proud moments for the school.

Culinary teachers contest:

Indian Institute of Hotel Management conducted a culinary contest for teachers. The preliminary round was held in the school. It was a proud moment for me to see my teachers so accomplished in this field. Teachers donned the caps of super chefs and dished out culinary marvels that impressed the judges. Around 10 of them qualified for the next round.

Let me take this opportunity to wish my dear Parents and Patrons, a very happy Dussehra. May the benevolent goddess brings peace and harmony into your homes.

God Bless!!!

With best wishes,

Manju Balasubramanyam.
