

Dear Parents and Well-wishers,

Greetings from the DPS Family.

October has been a month of festivities and celebration. The highlight for the month being the annual day, the school campus reverberated with music, dance and drama as the students tirelessly prepared for their final performance. The annual day - "Antarranjan" portrayed the theme of inclusion - "sharing similarities, celebrating differences". We at DPSBN wish to create an equitable society where people have mutual respect and tolerance for each other. We need to teach our children to respect diversities while they respect their own identity. We sincerely hope that this message was carried across to the parents who had thronged the campus to watch their wards perform despite the cold nip in the air and their busy schedules.

Inculcating social responsibilities in our future citizens, has always been our priority. Taking forward the Swacch Bharat Abhiyan launched by Prime Minister Narendra Modi, several students and teachers at DPSBN took up a cleanliness drive in the school premises, starting with their own classrooms- a small step to ensure their support to this great initiative.

As the month draws to a close we are back to our regular academic schedule - assessments, projects, activities, all of which are part and parcel of school life.

Let us continue to encourage and support our children to aim high, cast aside differences and celebrate the joys of life.

With Regards  
Manju Balasubramanyam  
Principal  
DPS Bangalore North
