BANGALORE NORTH

FROM THE PRINCIPAL'S DESK.

PRIMARY NEWSLETTER FOR THE MONTH OF AUGUST 2015

DEAR PARENTS, STUDENTS AND WELL WISHERS

The month of August fills the air and heart with patriotism and gratitude for the freedom fighters and leaders who strengthened India's position in the world. To showcase this, soft boards were decked up with slogans and pictures portraying patriotism and nationalism.

Book Week Celebration.

It is oft quoted that modern technology has snatched away the charm of reading books from children. It's our School's endeavour to keep this habit alive and to ensure that this does not fade away. In keeping with this, English Book Week was celebrated in the Primary segment from 10th-14th Aug 2015. To inject enthusiasm in the activity, children from different segments were tasked with responsibilities such as Making of Book Marks, Book Covers, weaving of stories based on presentation of pictures, penning beautiful poems etc. The pictures below highlight the activities and enthusiasm it generated.

CO-CURRICULAR ACTIVITIES:

Inter House Pattern Making Competition.

Creativity amongst children is unbounded and providing them an opportunity to display it is the finest form of impetus one can give. This is the fundamental element on which our co-curricular activities are planned.

An Inter-House Fruit and Vegetable Pattern Making Competition was organised. The children demonstrated immense talent and creativity in making astounding patterns out of cut fruits and vegetables. The pictures below bear testimony to the above.

Joy of Giving Weeks.

We at DPS (North) were overwhelmed by the contribution received from the Primary Students to the “Joy of Giving” week. It is our conviction that the desire to help and contribute to the poor and needy can be inculcated in the formative years of the child. It’s a small token of selflessness that goes a long way in instilling these higher values that, needless to mention is sorely lacking, in today’s times.

We intend inventorying all the items so collected and donating it to “Sisters of the Poor” – An Old Age Home, where the same would be put to good use. These gestures go a long way in keeping the needy feeling loved and cared for, in their sunset years.

In addition to this, the students also donated Story Books to create a Library for Anubhav Shiksha Kendra.

We wish to express our deepest gratitude in this joint endeavour for supporting this noble cause whilst simultaneously instilling a sense of philanthropy in your wards.

We look forward to your continued support and cooperation in our philanthropic endeavours....

With best wishes,
Manju Balasubramanyam,
Principal,
DPS Bangalore North
